

THE IDEAL CHOICE

For road cleaning, winter grit and snow removal.
Sweep cycle paths, driveways and parking lots.

COMPACT AND VERSATILE

The compact design significantly reduces bumping, and ensures fast reaction for optimum performance in any condition.

Ce balai compact et versatile est le choix idéal pour le nettoyage des routes ainsi que le déneigement des pistes cyclables, cours résidentielles et stationnements .

Sa conception compacte réduit significativement les secousses et assure une réaction rapide pour une performance optimale dans toutes conditions.
