

**New for
2018!**

- Ideal for**
- **Construction**
 - **Demolition**
 - **Land Clearing**

#WLDT25

The drop down, linkage controlled tailgate design allows for easy cleanout of awkward debris, without worrying about material hangup on the tailgate or tailgate arms. No cylinders or hydraulic hoses at the back end to hit with loaders or rocks!

Model #WLDT25

- 16' x 8.5' box w/- 4' Side walls
- Drop tailgate
- Hydraulic brakes
- Spring cushion drawbar
- 1/4" floor / 3/16" sides
- 560/60 x 22.5 tires
