

GRAVELY

AXIS

**VERSATILITY
AND EFFICIENCY
MEET AT THIS
AXIS POINT.**

Introducing the Gravelly Axis, a multi-tool machine that puts a heavy emphasis on “multi.” It performs a ton of jobs but its main one is maximizing a crew’s time in the field. With its list of attachments and capabilities, it’s not a machine that will sit idle. Welcome the Axis, where you’re the pivot point to all its power.

VERSATILITY Due to compact design.

POWERFUL GAS ENGINES Models feature Kohler Command Pro CH730 23.5 HP gas engine.

TIRES OR TRACKS Models include big 18 x 8.5 x 8 Turf Saver Tires or 9” imbedded steel rubber tracks. All models can switch from wheel to track or track to wheel with factory kit.

DRIVER PLATFORM Stand-on position for easy dismount and dash panel access.

SELF-LEVELING BOOM The automatic self-leveling booms that will keep the bucket, pallet forks or attachment level so the operator does not need to keep making adjustments when raising or lowering the boom to allow for more efficient operation.
