THE ZT HD STEALTH 60 CAME IN UNDER THE RADAR, BUT IT WON'T GO UNNOTICED.

Presenting the ZT HD STEALTH[®] 60, featuring a military-inspired design with tactical graphics and badging powered by a beefy Kawasaki[®] FR730V. A striking two-tone paint scheme riding on gloss black wheels keeps the stealth in a class all its own. One is flat black with a wrinkle texture accented by the second gloss black for more pop. And it rides as great as it looks with comfort features throughout. When you hit the ignition and engage its blades, you know you're riding on a machine designed and built unlike anything on any other lawn..

NEW X-FACTOR[®] 3 DECK Its new thick, 7-gauge steel stands up to the punishment yards and their obstacles dish out. Its sloped front end lifts grass sooner to deliver a better cut and the reinforced spindle mounts protect blade operation. It's also designed to disperse grass better with its large discharge opening.

FULLY WELDED TUBULAR FRAME The ZT HD STEALTH offers a superior and more robust welded tubular frame, giving you the integrity of a commercial frame in a residential package.

RUBBER FLOOR MAT Secure footing, vibration dampening, and extra cushioning while mowing.

LIMITED EDITION SEAT Comfortable high back seat with armrests is ready for a long day of mowing and looks great on the grass or even parked in the garage. Wide seat base with bolstered padding, along with high-back cushions provide extra comfort and a secure ride.

CUP HOLDER AND CONVENIENT STORAGE WITH CHARGING PORTS Standard USB and USB-C ports power your phone (or other accessories), and the storage area keeps them and a drink within reach.

INTEGRATED SEAT ISOLATION Set of vibration absorbing dampers smooth out bumps and engine vibration for a smooth and comfortable ride.
