JACTO's QUALITY

Welcome to Jacto.

The renowned PJH Backpack Sprayer combines Jacto's long tradition of providing spraying solutions for people who really need them.

Available in 5-gallon (20 liters) capacity, the PJH is ideal for a wide variety of spray applications.

Starting with our first products in 1948, Jacto has built a long history dedicated to developing and perfecting new and improved technology to help our customers maximize their productivity.

Jacto is known throughout the world for maintaining a tradition of quality and respect for the needs for our customers.

Whether your sprayer is needed for crop care or for another application where efficiency and quality make the difference between profit and loss, you can count on Jacto.

To ensure our customers are always taken care of, Jacto offers a complete range of service and maintenance parts to keep your sprayer on the job year after year. Insist on genuine Jacto spare parts and accessories as your assurance that your sprayer will operate properly and work up to the high standards set by you and Jacto.
