

This revolutionary cleaner offers many innovative features that reduce the time, labor and mess associated with traditional cleaning methods. To use the WV50, simply spray the surface you want to clean with your favorite solution, turn on the vacuum and run the blades along the surface to reveal a streak-free shine. It's that easy! The WV50 helps eliminate the wiping, rubbing and mess required when cleaning with paper/cloth towels. Imagine the amount of waste and expense you could avoid every year by not cleaning your windows with paper towels. Not to mention the reduced amount of effort! The WV 50 is especially beneficial to people who suffer from arthritis, carpel tunnel or other joint and muscle aliments that make rubbing or wiping a painful process. The WV 50 is not only easy and cost effective to use, it is virtually maintenance free. Simply empty the reservoir after each cleaning and plug in the charger. That's all there is to it. Change the way you clean today with the WV50 from Kärcher!
