Dominate the Roads and Trails with Apollo's RFN Ares!

Discover the RFN Ares, the first electric motocross in Canada that can be registered for road use. This unique model, awarded at the 2023 German Design Awards, combines power and versatility for both on-road and off-road use. Featuring a 5000W motor, it reaches a top speed of 45 km/h and offers a range of 100 km. Its 200 mm front suspension and 74 mm rear suspension ensure a stable ride. With a seat height of 835 mm and a weight of 90 kg, this motocross is perfect for all your adventures. Available in black, blue, and red.
